

The background of the slide is a light gray color with a pattern of interlocking gears of various sizes. The gears are rendered in a semi-transparent style, creating a technical and mechanical aesthetic. Some gears are larger and more prominent, while others are smaller and more faded. The overall effect is that of a complex, interconnected system.

Professor Ari Jacobson

Professor at Rossum University

The background of the image is a light gray field filled with numerous interlocking gears of various sizes. The gears are rendered in a semi-transparent style, allowing the text to be clearly visible. Some gears are larger and more prominent, while others are smaller and more numerous, creating a sense of depth and complexity. The overall aesthetic is clean and technical.
