

The Curious Carnival

Welcome to The Curious Carnival! Whether you have played a Foulplay game before or this is your first time, we are excited to have you onboard! Our games are written by geeks for geeks. Get ready to be transported to a new world, immerse yourself as a new character, make some new friends (or enemies!), and solve a murder—all in a couple of hours!

Before you get started, here is a quick rundown of what to expect, as well as a few tips and tricks to keep in mind to make your experience even more enjoyable!

- The first part of the game occurs before the murder. Your character profile below covers who you are, your most important relationships and goals, and a few tasks to try to complete before the investigation starts
- After the investigation starts, you will receive your goals and objectives for the rest of the game. Make sure to read these carefully, as some of your goals may have changed! You'll then have the rest of the game to solve the murder and accomplish your goals!
- There is no required acting or roleplaying experience, nor a specific way you must play your character. Play to the level you are comfortable with and make the character your own!
- You are allowed to bribe, blackmail, lie, omit, make deals, form relationships, and share information as you feel your character would.
- Your character profile and objectives are a starting point! Your character won't know everything or everyone at the party—it's up to you to talk to other characters, ask questions, look at the evidence, and figure out whodunnit!
- Remember, the main goal of the night is for everyone to have fun in a safe and inclusive space. While you might be on opposing sides, be respectful, a good sport, and remember to include more introverted players.
- If you have a question about what you can and can't do, ask your host!

This game can be played entirely online or in-person with your friends, family, or coworkers! We hope you have a great time playing and would love to see pictures of your party!

Your Story Starts Here

It's 1919, one year since the Great War, and the centennial birthday for Vanya and Vaska Kalderash, the famed fortune telling twins of The Curious Carnival. Not everything looks like it will be fun and games though; rumor has it, not everyone is happy with the current ringmaster, Esmeralda Petrovic, and there are whispers of impossible feats taking place outside of the tents. And what of the gossip the circus is peddling something more than entertainment? Tonight is bound to be a showstopper, come see the magic up close!
